

CYCLING TO SCHOOL (Years 1 – 6)

Child's Name Class

Child's Name Class

Child's Name Class

I give permission for my son/daughter to cycle to and from school.

He/she/they will be cycling every day/most days/once a week/now and then*

Please read the following rules and share them with your child/children and return it to school before they start to cycle to school.

Any breach of these rules could result in us withdrawing the right to cycle to school.

- A cycle helmet must be worn, for safety reasons, whilst riding the bicycle
- Fluorescent clothing, in the form of a jacket, gilet or sash, must be worn
- Children must dismount at the school gate and walk with their bicycle whilst on school grounds
- Bikes are not to be brought onto the main lower playground or through the staff car park (because of the dangers from cars)
- Parents/children are responsible for bike security. Therefore, a chain/padlock etc. should be brought to school. The School cannot be responsible for the security of bikes.
- There is a bike rack/stand outside Y5/6 in which bicycles may be stored during the school day
- Children will not be allowed near, or to ride their bicycles during the school day.

We would favour cyclists following the 'safe routes to school' on the paths through the Recreation Field and entering via the field gate. However, if arriving via School Lane, children should enter through the main front pedestrian gate (dismounting at this point) and push their bicycle across the Reception Playground.

*delete as appropriate
