Dear Parents, Carers and Children

Newsletter No 32

Sharing Assembly

It was fabulous to see so many parents and families at our Sharing Assemblies today and a marvellous way to end a busy but full half term. Thank you for your support as I know the children really enjoy sharing with you everything they have been learning.

On Tuesday, we had a sunny day for the photos being taken for our new Website. This will be available to view in June and will hopefully be easier to use.

GDPR

As part of our compliance with the GDPR regulations, which come into force today, we have attached a copy of our updated Privacy Notice with this newsletter. A copy is also on our school website. Should you have any queries do not hesitate to ask.

We are still outstanding some image consent forms and would be pleased if parents would return these. Previously we were able to assume consent unless advised to the contrary, now we have to act on your specific instructions.

Logo

Thank you everyone for all the very positive feedback about our lovely new logo. We do hope to have the uniform with the new logo by the end of term, although it will be fine for pupils to continue wearing the old logo version next year.

Safeguarding

Can you keep your family safe watching YouTube? YouTube can be a great source for entertainment and for useful information. However, young children need to be protected from harmful content and parents and older children need to be ready to report inappropriate content. The more people reporting, the safer YouTube becomes. Consider whether YouTube for Kids is the best option for your family but remember you still need to do the checks. Information can be found at <https://www.saferinternet.org.uk/blog/youtube-announce-new-parentalcontrols-youtube-kids> Or set up YouTube in a way that you know all the family can enjoy it. <https://www.saferinternet.org.uk/blog/parent%E2%80%99s-guide-youtube-restricted-mode> Guides are also available to help create a good experience for everyone: <http://bit.ly/youtubefamilyPC> for PCs and laptops <http://bit.ly/youtubefamilymobile> for tablets and phones.

Love learning, work together, achieve and shine.

School Playing Field Gate: As Stay and Play are now using the play trail after school, we will be locking the playing field gate at 3.45pm each day, please ensure that you have left the premises by then if you need to use that exit. Parents collecting children after 3.45pm will need to access school via the front pedestrian gate. Parents are asked to not use the play trail after school as Stay and Play will be using it, perhaps use the lovely park at the playing fields.

Cycling to School

As the weather is warmer more children will want to cycle or use a scooter to travel to school. Please find attached our policy for children cycling to school and in order to keep everyone safe we ask that parents complete the form and return it to school before cycling commences. Thanks for your support with this. Paper copies are available from the office.

Just a reminder at the start and end of the day, bikes and scooters should be walked to the gates before being ridden. There have been reports of children riding up and down the pathways in school, which of course can be dangerous with so many people on the school grounds.

Assembly

During the whole-school assembly this week I read the start of a story called 'Who will save us?' by Rebecca Mørch. The children enjoyed listening to the story about penguins learning how their habitat was being affected by humans.

On the first day back after half term Y2 are visiting Lyme Regis Museum and will take part in a fossil walk. The permission letter has gone out to parents and we ask that parents ensure that they have consented on parentpay over the holiday. Children without consent will be unable to go. Children are to wear school uniform and old trainers (which you don't mind getting wet) for the fossil walk along the beach. We will wear the Tatworth high visibility vests. A spare pair of shoes and socks may be advisable. Please provide a sun hat and ensure you have plenty of sun cream on too. The children will require a packed lunch in a disposable carrier bag and drinks for the day.

Please let us know if you can help. Helpers need to have DBS clearance and be able to bring and ride a bike! A timetable was sent home this week to those already signed up.

Y6 Football Finals

Mrs Churchill's Report: On Friday 18.05.18 we took a team to the Football Final arranged between the local schools. We played so well and came out with 13 goals! An amazing effort, I was so pleased and proud of the team they worked tirelessly with skills that were very advanced. Tatworth won the final - a great victory. There should be a team photo coming up in the Chard and Ilminster. Well done boys I am really going to miss you all in September.

Unfortunately Y3 & Y4 Inter House was cancelled due to rain. On Wednesday 23rd we had our year 5/6 inter house cricket competition.
