

Dear Parents/Carers of Year 6

Last few weeks!

Hoodwinked

Thank you for all your help supporting your child to learn their lines. We are nearly all there and an extra push this weekend to secure them would be great as we would like to spend our time next week on our acting and creating our characters!

Costumes:

We have discussed costumes in class, and most of the children have a good idea for what they are going to wear. To summarise:

- Villagers – old clothes: anything old, ripped or torn is great – dull colours such as brown or grey;
- Merry men - green;
- Friars – an old cushion for padding would be great and a PE kit to go under the ‘habits’ (I am going to attempt to make these but if you have anything appropriate, do let me know!);
- Marian and ladies – a nice dress, perhaps a headdress for Marian;
- Sheriff – black, perhaps a jacket.

If anyone has any questions or is unsure, please pop in and talk to us; we do not have any costumes in school but we may be able to make suggestions. Could all costumes come in 9th – 13th July so that we can have a dress rehearsal on the Friday – thank you. There are two evenings for the play:

The children are certainly putting in lots of effort in our rehearsals which should lead to a really enjoyable show.

Sex and Relationship Education

During the last couple of weeks of the term we will be delivering a course of sex and relationship sessions which are included in the Personal, Social and Health Education Curriculum. In these lessons we aim to prepare the children not only for biological and physical changes that are beginning to take place in their bodies but also the social and emotional implications of these. The lessons are designed to teach the children respect for themselves and each other and to guide them to a better understanding of what to expect as they grow up physically and emotional.

We shall be using various resources, including a specially prepared DVD. Children can be excluded from these lessons if you so wish but we do hope they will attend. If we do not hear from you we will assume your child may be included in these sessions.

If you have any queries or worries about these lessons please do not hesitate to contact me.

Leavers’ Assembly

The Leavers’ assembly is scheduled for the last day of term. During the morning we will have our rounders match between 12 – 1. The assembly will start at 2:15 and be followed by a cream tea courtesy of PAFOTS. Please could I ask parents to send / e-mail a Reception photo of your child and photos of memories in their school life asap as I am trying to compile a photo screen show for the assembly and the earlier I can get started on it the better – again, thank you.

Mrs Webb, Y6 Teacher
