Dear Parents, Carers & Children,

The coming half term is filled up with lots of extra activities and this week has been no exception. Year 1 and Year 2 have been out on Focus Day trips and we have had a very interesting visitor in school telling us all about bees. Many of our new Reception children have also been to school for their first afternoon which went really well.

The children have come back from half term to find a the new playground completed and volleyball and badminton PE lessons have already been taking place, along with basketball and table tennis at break times.

Our first Parent Council meeting is scheduled for Tuesday, 18th June at 3 pm; if there are still members of our class parent communities who would like to nominate themselves to Y1, Y2, Y3, Y5 or Y6 then please let us know in the office.

Our Summer Fair is now only two weeks away. Thank you to those of you who have signed up to stalls; Please can we now have prizes for the raffle, a large cuddly toy for 'Name the Teddy'. Also don't forget plants for the plant sale and cakes for the cake stall on the morning of the fair. The flip chart will be in the playground again next week; please could you sign up for the stalls you are happy to support. We are still collecting screw top wine bottles and chocolate too.

PAFOTS

We now urgently need those parents/carers who are willing to take on one of the four required roles for PAFOTs to pop into the office: Chair, Vice Chair, Secretary and Treasurer. Thanks.

Acorn Class - Nfer Trial

A letter was sent home this week to parents of Acorn class regarding a Nfer behaviour trial that the school have signed up for. The privacy notice will be attached to this email for those parents. Please return any opt out sheets asap.

Safeguarding - Safe Parking at the Playing Fields

We have now secured a volunteer to ensure the gates are locked each evening - thank you for your support.

Traffic In School Lane

Today I was informed about a driving incident outside of the school which nearly resulted in a child being injured. Please can I ask that everyone takes special care driving and parking near the school. We have also asked for support from Somerset Highways and Police.

Oak Class Visit to Axe Valley Animal Park

Year 1 had a wonderful time at Axe Valley Wildlife Park on Wednesday. They learnt about a wide variety of animals, their habitats, their behaviour and what they like to eat. The children experienced feeding some of these animals and holding many of them. Mrs Henley was even covered in Stick Insects at one point! A special thank you to those adults who came with us on the trip, especially to Mr Parfoot for giving up his day to accompany us.

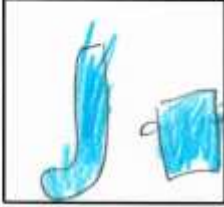

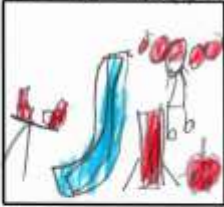

Isabella's report tells you some of the things that many of the Year one's did and enjoyed the most.

A recount of our trip to Axe Valley Wildlife Park

I went to Ax valley wild life Park. I went with the whole of year 1. I sat on the coach with Skye. When I got there I fed cute mice, cats, dog biscuits, and carrots. I saw a white peacock it was snowy and beautiful. I had sun beads we got to hold beautiful animals.

We went to ~~ax valley~~ ^{wild life} Park. We played in the play area. In the play area there was a slide, and we had to wear a mat so we would not have a burn from the slide. We went on a hunt to find to red singhs I found a lot of the singhs. We saw a bearded dragon, snake, stick insect, millipede.

Beech Class Visit to Lyme Regis

A full report on today's visit to Lyme Regis will follow next week.

Uniform Orders

Any parents wanting to order non stock items of cardigans or polo shirts please order on parentpay by July 12th. All items will arrive early in September hopefully on the inset day.

Bee Keeper

Forest School report: Yesterday we were all very fortunate to have a local expert bee keeper in school. Mr Phillips brought in a virtual bee hive and gave us fascinating facts about the wonderful world of bees. We would like to thank Mr Phillips for visiting and sharing his captivating information.

Y5 Report: Year 5 have been learning about pollinators in Science and so were glad of the opportunity to find out more first-hand from an expert. After the session they demonstrated a good knowledge of bees, wasps and hornets and have been using this knowledge to write an information text.

Hazel Class

Hazel Class are taking part in **30 Days Wild**, a nationwide challenge run by the Wildlife Trusts to encourage people to connect with nature by making a daily Random Act of Wildness through the month of June. The children are recording things they have done each evening and weekend on a wallchart. It is not too late to join in as a family; you can send off for a free pack which contains stickers, a wall chart and lots of ideas for simple things you can do to connect with nature. You can find more information on www.wildlifetrusts.org.

So far, some of the things Hazel Class have got up to include Paige watering the plants, Rose and Lola painting rocks, and Harry F rescuing a stray mole! Well done Year 5!
