

25<sup>th</sup> March 2020

Afternoon all,

There has been time today to get a few more things in place. Thank you to Mrs Nash who chatted to me out of a window yesterday to ask for access to **Accelerated Reader** at home. We have now set this up, so hopefully all children using AR can now quiz at home. Details below. 😊

Thank you also to Mrs Wood who has designed a **home learning passport** for anyone who wants to record their British Isles work in this way. We have attached the proforma.

It is fantastic to hear from so many of you and we are working to set up a system where the children can chat safely to each other and their teachers although this will not be available until next week at the earliest.

Well done to James who has researched Stonehenge and has made a model: James has been awarded a Keeping Going sticker for this as he had to preserve: it wasn't as easy as it looks!

Our big excitement today however, is that the long-awaited videos of **stories** are now ready to access via the school website. I am very happy for these to be shared with other family members or friends from other schools; watching and hearing a story is always magical, so please spread the word. Link is: [www.tatworth.somerset.sch.uk/parent-information/home-learning/](http://www.tatworth.somerset.sch.uk/parent-information/home-learning/) it takes you to the page on the website, they are at the bottom of the page. Please feel free to share! A massive thank you to Mr Evans (Verity's Dad) for putting together the videos, they look fab. 😊

## FSM

For those families eligible for free school meals, you will soon be receiving an emailed voucher to spend in Tesco's. Each child will receive £2.25 per day to cover their lunch entitlement. Many thanks. Please let us know if these vouchers do not arrive in your inbox. **Important:** There is a unique challenge phrase associated with each eGift Card. Once recipients click on the URL they are required to provide the challenge phrase to access their eGift Card. Recipients must have the challenge phrase in order to view the eGift Card.

We have been asked by County to resend the link below as a reminder, thanks.

**You can only access Accelerated Reader from home on these devices:**

- Windows computers
- Macbooks
- iPads
- Android tablets
- Chromebooks
- Kindle Fire HD

Type in the URL: <https://ukhosted106.renlearn.co.uk/6713516>

This will bring you to the home page:

Click on 'I am a Student'.

Children then use their own username and passwords (as they would for school or home connect) to access Accelerated Reader. Click on Accelerated Reader (yellow tab) and type in the quiz number or search for the book to start quizzing.

Please note: please make sure you have enough time to finish the quiz. If you don't complete it, it may ask for an authorisation code and it will be tricky for Mrs Berrisford to do this from home! Please send any requests or questions to our home learning website titled: AR Help! and I will try to pick them up asap.

Look after yourselves everyone; I have added a few helplines below.
