

Dear Parents/Carers/Children,

30th March 2020

I hope your weekend went well and everyone had a well-deserved rest from home-schooling! It has been lovely seeing your pictures and reading your emails showing us what you have been up to. We will try and attach a few to each newsletter but apologies if they don't all get on 😊 We will assume it is ok to add any emailed Homelearning photos onto the letters/newsletters -but if anyone would rather not have them included please do let us know at the point of sending them in. Thanks.

Accelerated Reader:

We had some very exciting news over the weekend: Accelerated Reader have released all their on-line books for you to be able to read at home. This means that once you run out of books at home you can access other texts that are at your level and carry on enjoying all sorts of lovely stories and non-fiction books and then quiz as normal. We think this is fantastic and have sent our thanks to AR for this gesture. Happy reading everyone! The link will come out in the next day or two.

Home learning Email: homelearning.sch331@educ.somerset.gov.uk

Just a reminder to ask you to put the class number/name or teacher in the subject bar when emailing the home learning email. Thanks

FSM Update: Please let us know if you were expecting and have not received a coded voucher, many thanks.

Extra activities:

I hope the information about Blue Peter badges was useful. We are also hoping to decorate the front of school with posters/rainbows and self-portraits. Please see the link below as this will support children to learn to draw a portrait: <https://thelowryblog.wordpress.com/2020/03/24/draw-a-lowry-portrait/>
Have fun!

Story Time:

I can see that so many of you have accessed our stories on the school website. We hope you have been enjoying them. We have also been sharing them in school too. Please scroll down to the bottom of the home learning page. Link: <https://www.tatworth.somerset.sch.uk/parent-information/home-learning/>

You should also know that we have managed to deliver all of our science goggles to Musgrove Hospital in Taunton. I live next door to two doctors and they chatted with me yesterday over the fence, giving me an update and wanted me to pass on their thanks for our support.

Kind regards

Tracey Hart, Headteacher.

Love learning, work together, achieve and shine.
