

## World Book Day

Many thanks to all the children and parents who attended our **Reading Breakfast** on Thursday. There was a wonderful atmosphere and it was a delight to see so many children reading. Many thanks again to Tesco for donating the croissants.

During the day, we had a range of activities to celebrate the love of books and reading. Each child had the chance to share the **clues to their favourite book**. We had a superb collection, from popular modern fiction to old classics. What a fabulous assortment! Here are a few... Can you guess the book?

We all had the chance to visit the **Book Swap** where every child was able to take a book (or two!) home.

In addition, we celebrated our **Reading Aloud Competition**. This is where children could read any page from a book aloud to an audience. The children were judged on enthusiasm, clarity, expression and volume. Well done to everybody who participated. A special congratulations to: Oak: Alana reading Oliver's Wood, Beech: Oliver reading One Snowy Night, Willow: Archie reading The Twits, Hawthorn: Gracie reading Gangsta Granny, Hazel: Ethan reading Diary of a Wimpy Kid and Yew: Lola reading Charlotte's Web who read out in assembly to represent their class. **The overall winner was Oliver in Year 2.** Oliver wins a £10 book voucher which was celebrated in assembly today.

We also launched our **Win a Book Competition** today where children need to guess who the member of staff is hiding behind their favourite book. Please find attached the sheet on this email. In order to enter the draw to win a book, children will need to send a list of staff members matching each picture (numbered) to Mrs Berrisford by next Friday 13<sup>th</sup> March. As our eco warriors have requested less paper in circulation, we are accepting any scrap pieces or recycled paper to return your answers on.
