

19th March 2020

Dear Parents/Carers

Further to yesterday's email I felt it would be good to give you our update so far. We are still awaiting further clarity regarding key workers and I will update you when we have more details. However, to support us to plan for Monday onwards, please could you reply to this email today if you think your job title classes as a keyworker. Additionally, we need to know job titles of both parents/carers if one is a key worker.

The school will be open for other children who are also identified by the Department of Education as needing provision from Monday, again we are awaiting clarity on this.

Thank you for your patience, children will bring home learning packs today and these packs will be ready for collection tomorrow for anybody already self-isolating. These packs give work up to the Easter holidays although some tasks can be extended into April. Look out for a separate letter on pack contents and task explanations later today.

We will contact you again with regards home learning once we know more.

Finally, I would like to thank you for your kind words of support you have shown towards the school in this unprecedented time. We are doing all that we can to minimise the disruption to our children and will ensure they are as fully supported as possible going forward.

Kind regards

Tracey Hart
Headteacher
