# The Summer Reading Challenge!

**Dear Parents.**

**Thank you so much for your interest in registering your child (or children) in to our Summer Reading Challenge! The idea behind it is to enable children to continue to develop (or simply build upon) a love of reading even whilst over the Summer period.**

**Over the course of the challenge, children are encouraged to read – or listen to – as many stories, rhymes, poems and any kind of writing they can access in return for sponsorship from friends, neighbours and relatives. The aim of the game is to hit 200 minutes over 2 weeks!**

**All sponsorship will go towards your child's reward books – plus they'll receive an extra 10% from me! For example, they raise £50 sponsorship, they can select £55 of reward books from our fabulous range!**

**Even better, complete our full Bingo sheet and share the photos in our exclusive FB group to receive a further prize!**

**All sponsorship can be sent via PayPal for ease and security– don't have a PayPal account, don't worry! Let me know and we can make alternative arrangements!**

**Thank you once again for choosing to participate, and I hope you have great fun encouraging your children to be adventurous with their reading! Any questions or concerns, please do contact me.**
