

Hello children

We are really looking forward to welcoming you into our Oak class in September.

We know that some of you have been in school recently but we also know that some of you haven't been to school for quite a long time. Mr Johnston has told us lots about you and thinks you are going to really enjoy year one!

After the summer holiday we will be spending lots of time getting to know each other and finding things out about what we like and don't like, what we're good at and also about the things that we'd like to get better at and become more confident with.

On Mondays, Tuesdays and Wednesdays Miss Farmer will be your main teacher.

On Thursdays and Fridays Mrs Churchill will be your main teacher. Sometimes, Mrs Hewitson will also be coming to work with you, too!

To help us get to know each other, we would like you to make a poster to tell us a little bit about yourself.

Here are a few ideas from your new teachers:

Miss Farmer

My name is Miss Farmer. I live with my family including my two children, two cats and five chickens. When I'm not at school, I love to have fun and spend time with my family. I like gardening, going for walks and picnics and visiting the beach whenever I can. I also enjoy baking and one of my favourite TV programmes is The Great British Bake Off. My favourite story is The Tiger Who Came to Tea 😊.

Mrs Churchill

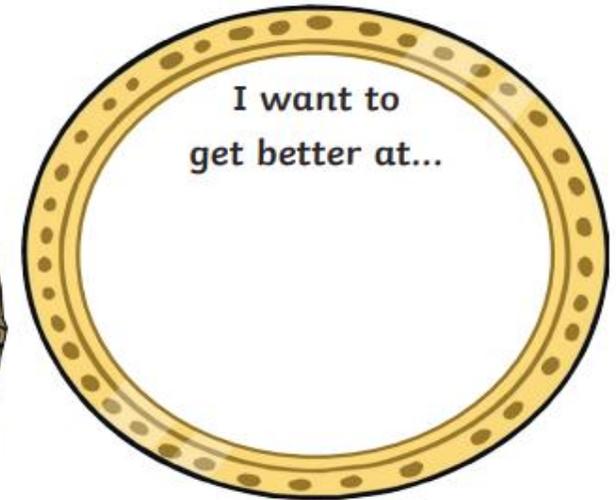

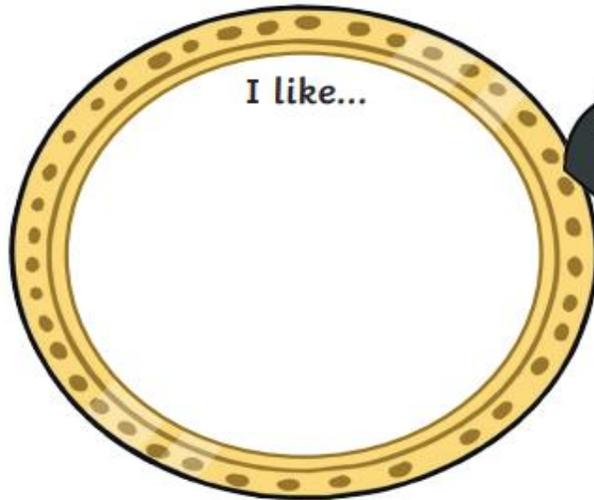

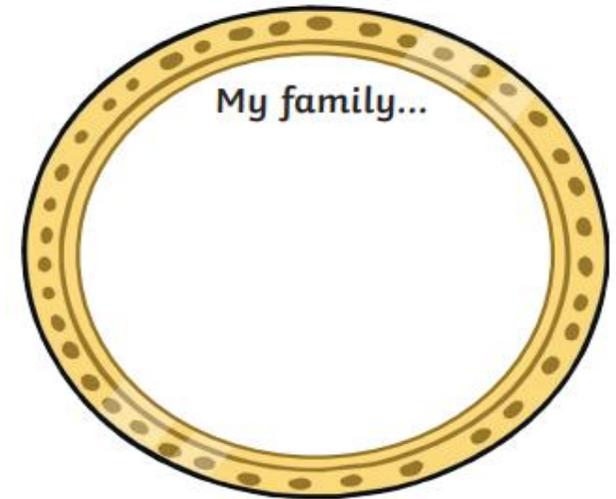

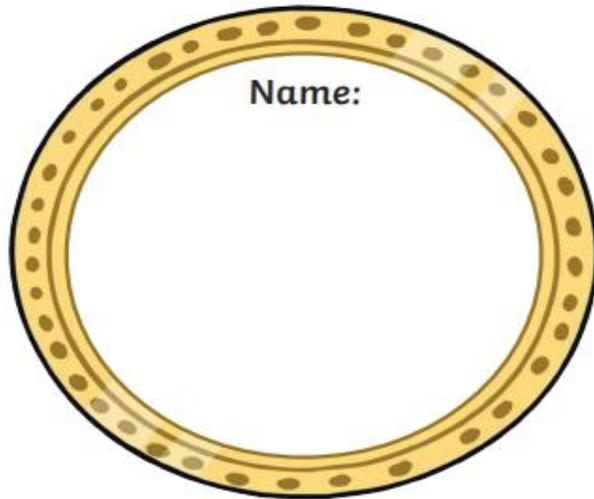

My name is Mrs Churchill. My special people at home include my two daughters and my husband. Having fun and adventures are the things that I enjoy and I love moving around and keeping active. I would love to find your activity/hobby that you enjoy. Everyone has one! Sometimes it just takes a little time to find it. I didn't find my love for running until I was about 35!!! I am much older than 35 now! I have two dogs they are both English Pointers and 4 fish. My favourite story is Giraffes Can't Dance 😊.

You could make your own poster like we've done or here is an idea for you:

Other activities:

- Using the letters in the alphabet, can you create them in your own way? Maybe you could write them in sand, with your favourite pens, paint them with water onto the ground outside, make them from Lego or using some of your favourite toys, or even spray them onto your fence with a garden hose! If you prefer you could write them neatly on to paper. You choose. Ask an adult to take a photograph of them if possible.
