

Dear Willow Class (or soon to be Hawthorn Class!)

I would like to start this letter by saying how proud I am of all of you. I feel incredibly lucky to be able to take you through to Year 4 and I am excited about all the learning experiences we will have together next year.

Although I know I will miss your lovely smiles during the holidays, I am also looking forward to spending time with my family and perhaps trying something new. One idea I have in mind is to learn how to paddleboard! What will you be doing over the holidays? Do you have a challenge you would like to try? I think it will be quite important to keep reading and writing over the holidays so I thought it would be great if you could put

together a scrapbook of 'your adventures or challenges' to share when we return in September; maybe some photos with captions, a mini diary or a recount of a fun day; make a poster about what you have learnt or create a mini project about an interest you have.

Even though I have asked for school reading books to be returned, please keep reading as much as possible, as this is the most important thing you can do to help your learning succeed. Reread books you have at home, read to your pet or a family member, read instructions, menus, comics, magazines (I would recommend The Week Junior). You also have access to MyON, Activelearn Bug Club and Oxford Owl for ebooks until the 31st August. The Summer Reading Challenge- Silly Squad, is available in local libraries or online and there are lots of competitions to win fabulous books. Have a look at the Book Trust website for books that may interest you. In addition, you can still log on to Spellingframe over the holidays where you can continue to practise CEWs and play games.

I would also like to thank your parents for the generous gifts, cards and kind words this week and support throughout the year.

Have a lovely summer break and stay safe. I look forward to seeing you in September.

Warmest wishes
Mrs Berrisford
