

25th September 2020

Dear Parents and Carers

Oak Class are currently reading *We're Going on a Bear Hunt* by Michael Rosen. We have created maps of our journey to hunt for a bear, and would now like to create a class book all about our journey. Therefore, it would be greatly appreciated if in the next couple of weeks you could send photos of your children walking through any of the following:

- long, swishy grass
- thick, oozy mud
- a deep, cold river (or stream!)
- a swirling, whirling snowstorm (this will need some creativity in September!)
- a deep, dark forest
- a narrow, gloomy cave

The photos could be of the real thing or of a play set-up, but whichever it is, it will greatly benefit their understanding and enjoyment of the story as well as their language development. They will love to see themselves featured in our class book.

If you would like your child's photo to be included, please send it to the home-learning email address with the heading Oak Class Bear Hunt.

Thank you for your help,

Mrs Whiffin

Love learning, work together, achieve and shine.
