

Welcome back!

When you return to school on Thursday 3rd, you will be in **Year 2!**

*Message from Mrs Billington:*

*Hello, Year Two! I really hope you have had a good summer holiday. I am very much looking forward to seeing you on Thursday!*

*In the first two days back together in school, we will be reading a wonderful book called 'Here We Are' by Oliver Jeffers. We will learn about planet Earth and its place in the universe, the environment of Earth itself, and our place on the planet as humans. We will spend some time thinking about how we all get along with each other on this planet that we share which is going to be a great thing to do after not having seen each other very much over these last few months.*

*We will be doing lots of other learning too but we will find plenty of time to catch up with our friends and play outside too.*

*Message from Mrs Hewitson:*

*Miss Farmer and Mrs Billington have been telling me about some of the things that you did in Year 1 when you were at school and when you were at home.*

*Well done for all of your hard work.*

*Are you looking forward to being in Year 2? I hope so! I'm sure we're going to have lots of fun learning and working together. See you on Thursday!*

On Monday, Tuesday and  
Wednesday, you will have  
Mrs Hewitson.

On Thursday and Friday,  
you will have Mrs Billington.

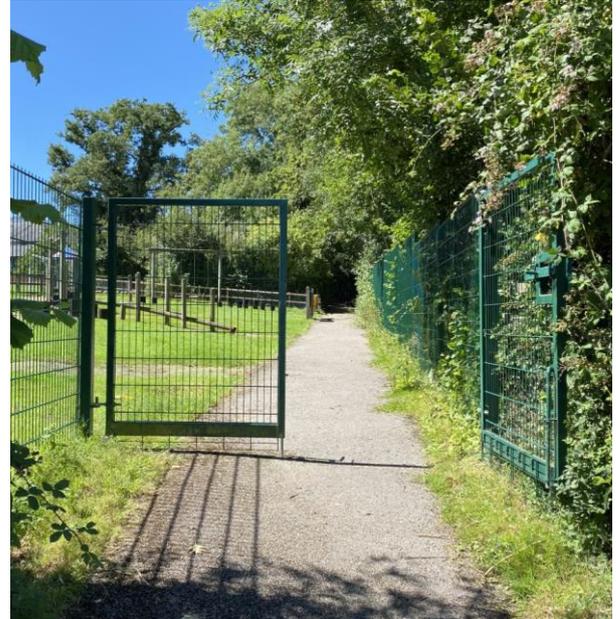

You need to arrive at school **between 8:40am and 8:50am**, so that our lessons can start at 8:50.

You will come into school through the gate near the Y1, Y2 and Y3 classrooms.

Or you could arrive at the field gate.

This is the Year 2 door.

Here is our classroom.

When you arrive at school, you will need to wash your hands and put your things onto your peg.

Please only bring (when needed):

- \*coat
- \*bookbag or drawstring bag
- \*packed lunch (if you are having one)
- \*healthy snack
- \*water bottle
- \*PE bag (please bring on a Monday, it will come home on a Friday)

We are really looking forward to seeing everyone back at school. When you return, you may notice a few exciting changes around school:

The library has been refurbished.

The Forest School area is bigger and has a new fence.

In the hall, we have a new climbing wall.

The Reception outside area is bigger and has a new grassed area.

The area by the front steps has had a big tidy-up!

We will be spending the first few days settling into our new classroom, talking about what we have all been up to since you were last in school, and enjoying being back together.

Don't worry if you think you may have forgotten a few of the things you've been taught in school, or if you didn't do all of the work that was set whilst you were at home. We will be finding out what you can remember and helping you to practise lots of new skills.

We are looking forward to seeing you on Thursday!

Mrs Billington and Mrs Hewitson
