

## **Educational Psychology Service (EPS) Telephone Helpline for Parents and Carers**

**\* Reopening Monday 21<sup>st</sup> September \***

During these unprecedented times, we all find ourselves facing new challenges. For many, this will bring about new anxieties, for others, it may worsen existing worries.

Where children and young people are affected, you may notice that they react to uncomfortable feelings and thoughts by changing their behaviours and demonstrating behaviours you have not seen from them before. In turn, these behaviours can add to an already stressful home situation.

It is important to remember that self-isolation, does not equate to social isolation.

If you are a parent/carer of a child in Somerset and would like to speak to a Psychologist with any concerns arising for you, or your family during this time, then The Educational Psychology Service is here for you. We are able to offer an initial 30 minute telephone consultation (discussion) and a potential follow up call, of another 30 minutes if appropriate.

Calls will be offered Monday-Friday, during usual working hours.

Unless the Psychologist feels that you, or someone else is in danger of harm, then full confidentiality will be respected. In order to offer the best possible service, a brief summary of the discussion will be recorded, which may be shared with colleagues from other services. If you do not wish for a record to be taken, then please make this clear to the psychologist during your call and they will only record the name of the school.
