

## Microsoft Teams via Xbox or Playstation

### Xbox

1. Plug a keyboard into the Xbox USB slot.
2. Go to my games and apps.
3. Find and select Microsoft Edge.
4. Navigate to our online learning platform – Microsoft Teams

### PlayStation

1. Identify the PlayStation internet browser icon (WWW with dots around it).
2. Press the PlayStation logo on the controller.
3. Go to the library and find options for games and applications.
4. Go to applications and you will find the internet browser.
5. Navigate to your online learning platform – Microsoft Teams

Log in as usual using your username and password.

Whilst redeploying your console as a learning hub, you may like to revisit the parental controls to limit the length of time your children spend on any games.

### Xbox

Whilst in your child's account. First, go into settings and find the family page. Now select your child's account (if you do not see their account, click "add a family member" and create or add an account for them.) You will now have access to a whole host of controls you can tailor to your child's needs, from privacy and online safety to web filtering.

### Playstation

Use the web browser to visit [account.sonyentertainmentnetwork.com](https://account.sonyentertainmentnetwork.com) and sign in with the email address you used to set up your account. Select your account in the navigation bar at the top of the screen, then select family management. Once you have added a child's account, you will get a similar suite of options, from spending limits to restricting certain apps or games to daily screen time.
