

1st March 2021

Dear parents/carers,

Further to new guidance out today. All families of school aged children can access Lateral Flow home tests. I have attached the links below and the methods of ordering. I hope you find this information useful.

The link below gives the Government guidance and the most local collection site is Chard Guildhall.

Collect test kits

You can collect up to 4 home test kits at a local collection point. Each kit contains 7 tests.

Anyone 18 or over can collect. You can check online if the location is busy before you go.

[Find your nearest home test kit collection point.](#)

Order home test kits online

If you cannot get tested at your workplace, or are unable to go to a test site or collect test kits, you can order a home test kit online.

Do not order online if you can get a test through other methods. This frees up home delivery for those who need it most.
