

15<sup>th</sup> June 2021

Dear parents/carers,

## Wellbeing Week 21<sup>st</sup> to 25<sup>th</sup> June 2021

Further to the information in the newsletter last Friday, I wanted to write and let you know about our upcoming Wellbeing Week next week. For many of our older children, they know this is an enjoyable week full to the brim with new experiences, time for reflection, time to develop new skills and try new sports and take part in wellbeing sessions. We are including extra sessions this year in art and life skills such as fire safety and first aid too. We are hoping that all children across the school create their own screen printed bunting piece, either of a woodland creature or an under the sea animal. We also hope that the older children will embellish their printing with applique, beads and sewing. Everyone's bunting will be sewn together to create a whole-school garland.

Every day the children will take part in a mixture of activities, some outside and some in the hall or the classroom. It would be really helpful therefore if each child brought a sun hat, a supply of water and have applied sun cream before coming to school each day. They will be wearing PE kit or sports kit all week so will need to be wearing trainers, shorts, t-shirt, joggers if the weather turns cooler, and a jumper (this can be the school green jumper/cardigan or the grey hoodie). They also need to remember to bring their skipping rope on Monday, which was sent to them earlier this year. We will be taking lots of pictures and will share these daily with the children and hope to have a montage of photos by the end of the week to share with yourselves in a special newsletter.

Please could I highlight that this year, with the Covid restrictions put on schools, the sports day will take place in classes only, on the school field, but without spectators. Each child will run four races and points will be collected as normal leading towards an end of day total and winning house from across the school. **On Thursday 24<sup>th</sup> June: Sports Day, children are asked to come to school in black pe shorts and a t-shirt of their house colour.** The house coloured t-shirt is not mandatory, so please do not buy a top especially for the event, as the green pe t-shirts can be worn that day. The house colours are: Joslin: red, Brewer: blue, Stonham: yellow & Langdon: green. Parents and carers of children in Acorn, Oak, as well as any new pupils, will receive a text with their child's house today.

We hope to share more information as the week commences but please contact us if you have any questions.

Kindest regards

Tracey Hart, Headteacher.

**Love learning, work together, achieve and shine.**
