

20<sup>th</sup> July 2021

To parents/carers and children,

### Celebration of screen printing project

As part of our focus on art and improving our art curriculum this year, we planned a whole school screen-printing project with the illustrator, Mark Hearld and the themes of woodland or under the sea, as our inspirations.

The children have embellished, with additional stamping, printing, applique, sewing or weaving and all look fantastic. Year 5 and 6 have created scenes under the sea, whilst the rest of the school chose a woodland creature to work with. In addition to this, year 3's recent detailed drawing of fungi made its way to being the stimulus for their printing blocks.

The banner will be on display out the front of school until Thursday, 22<sup>nd</sup> July. We hope this gives you time to drive or walk past at a safe distance.

Kindest regards

Tracey Hart  
Headteacher
