

## Results from the Parent Questionnaire 2021 (page 2)

Below are six more question results from the Parent Questionnaire. Again, it is really pleasing to see the positive responses and on an attached sheet, I have added some explanation and additional comments added to the questionnaire. On page three, I have also added the finding on the SEND questions and whether parents and carers would recommend our school.

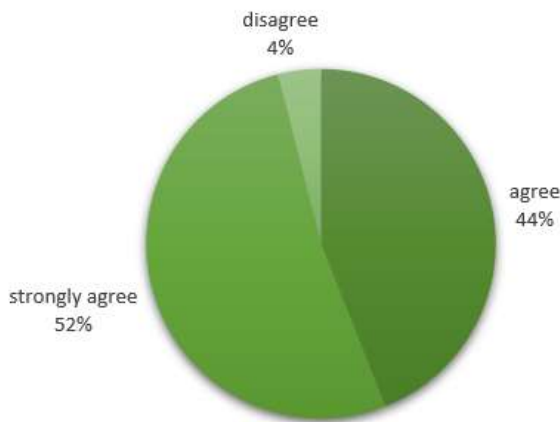

*The school has high expectations for my child*

*The school lets me know how my child is doing*

*My child does well at this school*

*There is a good range of subjects available to my child at this school*

*My child can take part in clubs and activities at this school*

*The school supports my child's wider personal development*
