

PE and Sports Premium Funding

We want pupils to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

We believe that the P.E. curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of the children. Through sport, the children begin to develop the important qualities of discipline, resilience, communication, teamwork and ambition. Qualities that they are then able to use in their learning within the classroom as well as in wider life outside school.

The PE and Sports Funding will help our school to achieve self-sustaining improvement in the quality of PE and sport. Schools receive PE and Sport Premium funding based on the number of pupils in Years 1 to 6. In most cases, the amount received is determined by how many pupils at the Academy attract the funding.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. Please see the following link.

As a school, we are committed to ensuring that our children receive the best possible opportunities to succeed in sport and develop healthy lifestyles as the school continues to grow.

We are delighted to have achieved the *GOLD* School Games mark for four consecutive years and are looking forward to working towards the *PLATINUM* standard next year.

Please refer to the School Games website for blogs and pictures of some of the fixtures we have taken part in.
